

# Preface

2025 International Conference on Frontier Science and Sustainable Social Development (ICFSSD2025) will be held in Hong Kong, China from July 11-13, 2025. This prestigious event is dedicated to presenting cutting-edge research and academic achievements at the dynamic intersection of frontier science and sustainable social development. We cordially invite authors to contribute to this special forum by submitting papers that showcase research findings, case studies, comprehensive reviews, and practical insights highlighting substantial progress in these interdisciplinary fields.

The fields of frontier science and sustainable social development have been experiencing rapid evolution and transformative changes, and as we look ahead, the potential for groundbreaking discoveries and innovations is immense. ICFSSD2025 is designed to foster engaging dialogues on the most recent scientific breakthroughs, emerging trends, and creative concepts within this vibrant field.

With best regards,

**Conference Committee of ICFSSD 2025**
